

St Anne Valentines

Dance A Thon

On Valentines Day, Friday, February 14, 2020, St. Anne will be hosting its major fundraiser for the year, a Valentine Dance-a-thon. All generated funds from this event will be used in benefit to the students of St. Anne. The funds raised will help reduce costs for items such as school supplies, school trips, busing and various students needs. Donations towards this event also helps encourage special opportunities for our students through, planned events including motivational and guest speakers. Fundraising gives students ventures for participation in curriculum supportive workshops and/or programs such as Scientists in the School, Jungle Gym and Raz-Kids Literacy Program.

Every class room has been asked to create “Themed” gift basket to help encourage the students to participate in this fundraiser.

Each student is asked to donate one item to contribute to their classes theme by **Wednesday, February 12th, 2020**. Once the baskets are put together, they will be displayed. All pledge forms are to be handed in by **Wednesday, February 19th, 2020**.

For every \$5 earned each student will receive 3 tickets to raffle off in the basket(s) of their choice. On top of the raffling baskets, we have grand prizes for top earning students to win as well. These include, a Brand-New Chromebook, 7-Speed 24” Evo Rock Ridge Shimano Bicycle, and a brand-new Nintendo Switch Bundle. Winners will be announced on **Friday, February 28, 2020**.

Thank you to Allison Neighbourhood Community Center for providing the music and entertainment to our event. Special Thank you to The Hub for their wonderful donation of the bike this year!

Chips, Kool-Aid, and glow sticks will be sold for \$1.00 each during the event.

Our school community is incredibly grateful and blessed for your continued support. Our Class Theme Basket is: _____
